RFU SAYS: GRASS ROOTS FIXTURES MUST WAIT UNTIL 2021 DUE TO CORONAVIRUS

FERGUS SAYS:

Although it's disappointing that we won't see all of our clubs back in action, we can now help them plan for the future with more clarity.

It's great to see so many schools / teams take advantage of our online store facility, as well as the sale we are running on the champion range.

Our brand new CRATUS range is being launched in the coming weeks, we cannot wait for this! (Pictures to the right of Creighton RUFC with their Navy/Red CRATUS range. Looking good lads!)

With non-contact and touch matches still permitted, why not take advantage of the offers already out, or this training / touch rugby bundle below.
