

HALBRO WEEKLY

A weekly update from the world of Halbro and Raging Bull Sportswear

FACE MASK U-TURN

With the government u-turn this week on masks being worn in schools, especially in those areas of lockdown, here at Halbro and Raging Bull Sportswear we have all schools, businesses and clubs covered!

Face masks can be added to current online shops, personalised, in packs of 3 on offer for £9.99

If schools or clubs want to bulk order, then we can also deliver in 2-3 weeks on any design of face mask you like - prices from £2.50 upwards (min orders of 20).

Please get in touch today to order masks for your school, team or business

SPOTLIGHT ON:

CHRIST'S SCHOOL

3 Times National Champions!

Christ's School is a mixed secondary state school in the borough of Richmond Upon Thames, London. With over 900 students on roll from year 7 to 6th form the school is regularly oversubscribed. With a vision for 'excellence as standard' across everything we do at Christ's School, Sport is no exception.

The Physical Education dept vision is for Christ's School to be recognised as one of the leading state schools for sport in the country with an outstanding reputation for its sporting provision, achievements and academic attainment.

This year the PE department received the fantastic news that it has been ranked, by School Sport Magazine, in the top 100 state schools for Sport in the Country. At number 50, this places Christ's in the top 2% of schools nationally for competitive sport. We were also awarded our fourth consecutive Gold Sportsmark Award by Sport England, in recognition of our ever expanding extra-curricular programme, which now boasts Triathlon, Boxing, Rowing and Judo clubs.

With an increase in participation, Christ's has also seen an increase in its competitive success too; winning 13 Borough titles, and, more notably, winning the U16 National Schools Basketball title for a third consecutive year last year.

The Dance programme has strengthened further, under the creative guidance from our Head of Girls sport, Miss Wynn-Davies, with participation at its highest rate ever for Junior and Senior clubs and a link with Dance Studio London being now firmly established.

Having invested the necessary time and resources into our in-house sports leadership programme we now have over 50 trained Sports Leaders from Years 8-11 to help coach and facilitate local community sports events.

Tom Smith (Head of PE)

With all of this success in competitive sport and physical activity participation, across our broad physical education programme, then the staff and students need a forward thinking, innovative and reliable sportswear supplier who can mirror the highest of standards we set to achieve. Raging Bull have been by our side from the moment we set out to revolutionise physical education at Christ's School.

Having a sportswear supplier who understands our needs and who is willing to adapt clothing ranges to suit our student body is pivotal in our enduring relationship. Our performance at a National level requires team kit and training apparel that offers students to not only mentally feel at the pinnacle of their sport but also to perform at their optimum physiologically. We look forward to many more years of sports success, in partnership with Raging Bull.

Ciara Wynn-Davies (Head of Girls PE)

At Christ's we try and use competitive sport to build a team culture and ethos in order to help establish a culture of high performance levels, Raging Bull provides us with the technical sportswear to drive this to fruition.

From designing team kits to providing essential training items, the service we receive from them is second to none. Their lead times are exceptionally short in what is a very competitive market, which is why we continue to enjoy a long lasting and successful relationship with Raging Bull.

SCHOOL PARTNERSHIPS

Halbro offers schools partnership agreements in which the school commits to Halbro to supply its PE kit over a number of years. This commitment means that we are happy to stock bespoke garments for the school on our shelves. This means the school has bespoke PE kit, and not generic stock items embroidered off the shelf.

Both parties will work together to decide on which garments are required and the quantity of stock needed. Your local account manager will come and present ranges and assist in this process. Both parties will also work together to decide on which of Halbro's range of benefits will benefit you the most.
