Having recently partnered with our friends at RE:ACT, we wanted to do that little bit more to support the amazing work they do not only here in the UK but all over the world.

FERGUS

thought it would be a good idea to recruit...

TEAM HALBRO & RAGING BULL SPORTSWEAR

With two of the four members of the team front row forwards, they will need all the help they can get!

We love their values and principles, and want to help raise some all important funding for them to continue the incredible work they do, and raise awareness for RE:ACT.

We hope that we can share this message to a huge amount of our friends and customers and they can discover how awesome the charity is and how they can help out themselves.
